

Dear Kayak,

I know you don't want to hear this.

But I met another kayak. It's not you.

It's just that the Chatham makes me feel so confident, so safe. Is it the hull? The lines? I'm not sure. I just know that I'm doing things I never thought were possible. I hope we'll stay in touch.

Bill

P.S. I'm giving you to my Uncle Terrence. Don't hate me.

**CHATHAM**™

Designed to inspire confidence.

www.necky.com

Available in plastic, fiberglass or carbon fiber, the 16' or 18' Chatham has just about everything you'd want in a kayak, including tremendous maneuverability that never sacrifices stability. But its best feature may be making you the paddler you've always claimed to be.
